Myra

*Dom and I discussed OCDP referral during meeting.
We agreed that we would wait to refer it until the application information is more complete.
For now just send LA.*

What about Orange Co. Planning. I usually send it in the same envelope and just mark one for technical review and the other for lead agency review. I need the referral sheet however. Let me know.

Thanks.... Have a good weekend!!

Mark;

Don't forget we need a Lead Agency Letter for woodlawn too. I have all the maps and paperwork to send it, so whenever you can...

Thank you,
